Short title: Exact solutions of the Klein-Gordon equation for the scarf-type potential via Nikiforov-Uvarov method.

MR Number: 2610110

Primary classification: 81Q05

Secondary classification(s): 81Q12

Review text:

Another (though, this time, rather sketchy) item in the vast collection of publications (ab)using the existence of a chapter in the Nikiforov's-Uvarov's 1988 monograph for re-telling us stories about polynomial solvability of ODEs in the context of (this time, relativistic) quantum mechanics.
